The Knights of Columbus is a Catholic men's, fraternal and service organization. The order was founded in New Haven, Connecticut, during 1882 and has grown to become an international organization. In 1985, St. Mary's Morrison Council was established to serve this area. Jim Jerome was a charter member of the council. When Jim passed away in 1990, the Knights established this scholarship to honor his memory.

The Knights of Columbus are active supporters of pro-life activities, anti-pornography and anti-drug abuse programs. They also provide assistance to the mentally handicapped, religious vocations, and disaster assistance throughout the world. The Morrison council is involved in a wide variety of projects throughout the year to serve our community, with annual projects including assistance to the DARE program, sponsorship of Boys State, fundraising and assistance for the mentally handicapped, support for Little League, and an opportunity for youngsters to participate in the statewide KC free throw contest.

The Knights of Columbus organization is based on four principles: charity, unity, fraternity and patriotism. Selection of the recipient of this scholarship is based on how applicants have exemplified these values in their lives, as well as other significant personal accomplishments.
