

What's that?

Do you see it under the  
pile of leaves?

Don't touch it.

It's covered with little  
green bugs.

It smells.

This is worse than the scent  
of skunk spray!

Let's get out of here.

What's that?

It looks like my brother's  
gym socks.

Don't touch it.

It could have germs on it.

It smells.

It smells like my sister's  
feet.

Let's get out of here.

What's that?

It looks like a big brown beetle.

Don't touch it.

You don't know where it's been.

It smells.

Well you know some beetles like to eat animal poop.'

Let's get out of here.

What's that?

*It looks like a big brown eagle.*

Don't touch it.

*It could have rabies.*

It smells.

*It smells worse than the compost pile.*

Let's get out of here.
